

ANZAC DAY

25 APRIL 2021

WE WILL REMEMBER THEM

During World War One 416,809 Australians enlisted to serve - many never returned. The Australians displayed great courage, endurance, initiative, discipline and mateship. Such qualities came to be known as the ANZAC spirit.

15,485 Tasmanians enlisted in World War One and today more than 10,500 war veterans and ex-service personnel live in Tasmania.

This year is the first ANZAC Day where we recognise Tasmania's most recent Victoria Cross recipient, Ordinary Seaman Edward "Teddy" Sheean.

LEST WE FORGET

On 25 April each year we call for Tasmanians to remember the sacrifice of all Australians who served our country.

In 2021 ANZAC Day commemorations in Hobart will be held in a modified format. The Dawn Service, the March and the commemorative service at the Hobart Cenotaph are ticketed events with pre-registration required. The March will be for veterans only.

No entry will be allowed without a ticket, and the community is encouraged to register early.

To register your attendance or for more information contact rsltas.org.au/hobart-anzac-day-commemorations

Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*
