

APRIL 24-25 2015 AUSTRALIA & NEW ZEALAND WIDE

Commemorate 100 years of ANZAC history camping in swags together as one at Camp Gallipoli events across Australian & New Zealand cities.

CORPORATE TEAM OPPORTUNITIES

WHAT IS CAMP GALLIPOLI?

Camp Gallipoli Foundation is a not-for-profit organisation established to help preserve, foster and perpetuate the unique spirit of ANZAC commemorations.

Camp Gallipoli is charged with the task of delivering a unique event platform bringing together people from across Australia and New Zealand to commemorate the centenary of the ANZAC landings.

The purpose of the events is to create an engaging experience where all Australians act as participants not just spectators. By bringing together a corporate group you will be part of the recreated Tasmanian Expeditionary Force, for this once in a lifetime event.

The model centres around 10 metro events and 22 regional events across Australia and New Zealand. The venues chosen have historic links to Gallipoli, WW1 and other theatres of War and allow families, schools and community groups the chance to come together as one to camp out under the stars, with their mates, just as the original Anzacs did 100 years ago.

Camp Gallipoli provides a unique opportunity to commemorate the service and sacrifice of our forebears and a chance to ensure we perpetuate the spirit of ANZAC.

For corporate groups, Camp Gallipoli is a chance to bring your team together in the spirit of mateship and provide a bonding experience like no other. You will show your dedication not only to the notion of Corporate Social Responsibility by supporting the RSL and Legacy Australia, but also your organisation's dedication to the ANZAC spirit.
